DETAILED ACTION

1. Receipt of the Appeal Brief submitted January 30 2006 is acknowledged. Prosecution on the merits is hereby REOPENED based upon allowable subject matter indicated below.

Allowable Subject Matter

2. Claims 1-28 have been previously rejected under 35 USC 103(a) over Hawkins and Sandhu in view of each other. Upon further consideration of the prior art, claims 2 and 5 are now objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

The claim language of the aforementioned claims should also be included in claims 1 and 15.

3. Claims 10-14 and 24-28 are allowed. The following is an examiner's statement of reasons for allowance: Hawkins in combination with Sanhu fail to disclose both, as in claim 2, "software executing on said computer...extracting the block level trade execution information from said trade execution information" and as in claim 5, "software executing on said computer...extracting the block level trade order information from the trade order information".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
